

MIRAIT ONE Smart Work/Life Declaration

The MIRAIT ONE Group has set “co-creating an exciting future through challenges and technology” as its purpose (meaning of existence) and is working to realize a society that values each individual (ONE person) and responds to diverse lifestyles.

By promoting the "MIRAIT ONE-Style Smart Work Lifestyle Reforms" that suits each workplace and individual, as well as altering the culture and awareness, we will realize a diverse and flexible work lifestyle suitable for everyone.

The MIRAIT ONE Group pursues the goal of becoming an appealing company where each and every employee can work energetically in good physical and mental health, and where they can find their own job satisfaction.
