MIRAIT Holdings Corporation**MIRAIT Holdings Corporation Submits Commitment Letter Aimed at Obtaining SBT Certification and Applies for Certification**

MIRAIT Holdings Corporation (head office: Koto-ku, Tokyo; President: Toshiki Nakayama) submitted a commitment letter aimed at obtaining certification and applied for certification to the SBT Initiative (SBTi), which is an organization providing certification for Science Based Targets (SBT) for greenhouse gas emissions that are scientifically consistent with the targets set by the Paris Agreement.

The Company applied for its targets (Scope 1 and 2) being consistent with the level of decarbonization required to keep global warming within 1.5°C compared to before the industrial revolution.

The MIRAIT Group is proceeding with initiatives to reduce the environmental impact of society and customers, and reduce greenhouse gas emissions by the Group with the aim of achieving carbon neutrality in 2050.

Specifically, the Group is actively engaged in the realization of a carbon-free society through green power generation business, etc., in addition to upgrading to hybrid vehicles and electric vehicles, lowering greenhouse gases through the use of fuel additives, switching to green power and reducing the Group's greenhouse gas emissions throughout the supply chain.
