

**【MIRAIT ONE Corporation】
Obtains Certification for “Osaka City Leading Company in Women's
Participation”**

Major telecommunications construction company MIRAIT ONE Corporation (head office: Koto-ku, Tokyo; President and Chief Executive Officer: Toshiki Nakayama; "MIRAIT ONE") obtained certification for “Osaka City Leading Company in Women's Participation” on May 1, 2023.

“Osaka City Leading Company in Women's Participation” certification is a program in which Osaka City certifies companies that actively promote the creation of organizations that enable motivated women to continue to actively participate, support for work-life balance and household participation by men according to certain standards.

MIRAIT ONE was recognized for the establishment of systems, in addition to being a place of business with a track record, and in addition to the highest 3-star certification, was also certified as a “Company Promoting Ikumen” for being a company supporting men’s participation in childcare. MIRAIT ONE will continue with initiatives such as the promotion of active participation by women with the aim of being an appealing company enabling diverse employees to work vibrantly and find their own fulfillment.

< About MIRAIT ONE Corporation >

MIRAIT ONE Corporation was launched on July 1, 2022 through the integration of MIRAIT Holdings Corporation, MIRAIT Corporation, and MIRAIT Technologies Corporation. MIRAIT ONE has established “co-creating an exciting future through challenges and technology” as its purpose (significance of existence), and is engaged in the resolution of issues faced by customers and society and regional revitalization by promoting initiatives such as urban development and regional development, corporate DX and GX, green business and global business based on the technical capability cultivated until now in telecommunications facility construction and the civil engineering business.
