MIRAIT ONE Corporation

We are glad that things are going well for you, and thank you very much for everything you did for us.

On July 1, 2022, MIRAIT Holdings Corporation, MIRAIT Corporation, and MIRAIT Technologies Corporation integrated management to establish MIRAIT ONE Corporation.

Moving forward, MIRAIT ONE Corporation will conduct business with coordinated and consolidated group activities to challenge new business domains, focusing on the reconfirmed purpose “Co-create exciting future by leveraging technologies and taking on challenges.”

The business environment of the MIRAIT ONE Group is expected to evolve largely with the expectation for the expansion of 5G services, rising need for new ICT solutions for new work and life style driven by the spread of COVID-19 infection, and the government policy of promoting renewable energy to realize decarbonized society.

In such environmental conditions, the MIRAIT ONE Group will endeavor to meet expectations of society and our customers as a smart infrastructure provider through the resolution of customer issues and support for regional revitalization.

The MIRAIT ONE Group will increase the company value by continuously contributing to the development of customers and societies through our business. We will appreciate your continued support.
